Important Information for Booking – Ask the Specialist Social Care Advice

When booking your appointment, please note that the specialists provide general guidance only, within their areas of expertise and experience as Registered Social Workers. They cannot provide legal advice or make recommendations in substitute of other disciplines. However, they will say when additional consultations might be useful and signpost you as necessary.

To ensure effective use of this service, specialists cannot advise on active safeguarding or child protection investigations. If any information shared raises safeguarding concerns about a child or adult, the specialists have a professional duty to pass this information to the relevant authority. This will always be done openly and with your knowledge.

Please be aware that the specialists cannot respond to text messages, WhatsApp, or via any other social media platforms. However, if you'd like to get in touch, Maria would love to hear from you through her website **(https://www.imarasocialwork.com)** or via email **(maria@imarasocialwork.com).**

The SEND Dynamic will send you a follow up survey by email after the appointment. It would be very helpful if you can complete this so we can learn if the service is making a difference.
