Dear Parent / Carer

You have been referred to Winckworth Sherwood LLP by The SEND Dynamic C.I.C for an initial consultation, which is being provided to you on a **pro bono** basis. At this stage, Winckworth Sherwood LLP, and any solicitor associated with the firm, will not be providing you with **formal legal advice**, but rather **general legal information and guidance** only in relation to your SEND matter.

Before we proceed with the consultation, please print your name, sign, and date the agreement below.

Pro Bono Service Agreement

I understand that the purpose of this meeting is to receive general legal information and guidance only in relation to my SEND matter, and I acknowledge that this does not constitute formal and specific legal advice about my individual circumstances.

I understand that this consultation does not create a solicitor–client relationship between myself and Winckworth Sherwood LLP or any solicitor associated with the firm. I understand that, for specific advice, I should seek independent legal advice.

I understand that information I share will be treated confidentially in accordance with the firm's professional obligations and privacy policies.
